2016 - 17 Tifton HERD Program – Report 2

November 10, 2016

To: Tifton HERD Consignors and Other Interested Persons

FROM: 
Jacob Segers, Extension Animal Scientist – Beef Cattle

Enclosed is Report 2 on the HERD heifers worked November 9 at Irwinville. Thanks to Dr. Lee Jones of the UGA College of Veterinary Medicine for doing the reproductive tract maturity scores and pelvic area measurements. Thanks, also, to several members of the Heifer Team for their help.

Two heifers had a Reproductive Tract Maturity Score less than 2 AND an actual pelvic measurement of less than 140 sq. cm. Two additional heifers had a Reproductive Tract Maturity Score of less than 2. Seven heifers had actual pelvic measurements of less than 140 sq. cm. Three heifers were found to already be pregnant, and another heifer with a deformed reproductive tract. These heifers are no longer sale eligible and will not appear on this report.

The quality of the females in the program is extremely high. As a whole, they are healthy and doing well.

CIDRs were also inserted at this time. Weights on the heifers ranged from 622 to 1050 pounds. The actual pelvic measurements ranged from 120.00 to 209.25 sq. cm., and the reproductive tract maturity scores ranged from 1 to 5.

Our synchronization program will continue as follows:

- November 23 – CIDRS are removed.
- December 9 – Lutalyse is injected.
- December 12 – Time breed all heifers; inject GnRH at breeding.
- December 20 – Cleanup bulls are placed with the heifers (52 days).

NOTE: If you plan to provide semen from an alternative bull, it must be delivered to Irwinville ASAP!

- Events:**
- December 1 – Delivery Date for Calhoun HERD Program*
 - December 2 – Calhoun Performance Tested Bull Sale*
 - February 28 – Tifton Beef Cattle Short Course*
 - March 1 – Tifton Performance Tested Bull Sale*
 - April 18 – Tifton HERD Sale*
 - May 30 – Calhoun Beef Cattle Reproductive Management Workshop*
 - May 31 – Calhoun HERD Sale*

The Evaluation Center is open for visitors during the week between the hours of 8 a.m. to 5 p.m. If you wish to visit on the weekends, please contact Mike Keeler at 229/831-5416. Feel free to visit our website (www.caes.uga.edu/commodities/animals/beef/index.html) for early posting of reports and a complete schedule of activities planned for the program.
