

17th Annual Calhoun HERD Program – Summary

June 2, 2017

To: Consignors in the 2016 – 2017 Calhoun HERD Program & Other Interested Parties

From:  Jason Duggin, Extension Beef Specialist

Thank you, Calhoun HERD consignors! Several factors came together to make this a special year. There is still strong demand for docile replacement females that meet intensive selection criteria. Looking ahead to next year, let us continue to focus on quality females that are the “right kind”. The HERD Team will be sending materials about consigning the “right kind” sometime this summer or early fall.

Thanks again to all the sponsoring groups and to the Calhoun HERD Team that support this program. In addition, we owe a big thanks to Zoetis (Alan Thomas), Select Sires Southeast (Joe Fowler & Eddie Bradley), Micronutrients USA (John Kelley) and Multi-Min USA (Dr. Havenga).

Enclosed you will find the sale summary, buyers list and home report. Please feel free to call your UGA Extension Agent or myself should you have any questions about this program. Hope to see you next time. Have a great summer.
