17th Calhoun HERD Program – Report 1

January 4th, 2017

To: Consignors in the 2016 – 2017 & Other Interested Parties

From:  Jason Duggin, Extension Beef Specialist

41 consignors delivered 147 heifers into this year's program on December 1st, 2016. Thank you consignors for this year's entries!

- Shawn, Tyler, and the rest of the staff at the NWREC have done a great job caring for the heifers during the adaptation period. The group appears to be in good health, and we are pleased with how they are doing. They have been easy to gather and process.
- January 25th is the repro evaluation workday and start of the estrus synchronization protocol.
- The Heifer Team chose MCR Horizon 081 (AAA 17076135) as the primary sire and SS Niagara Z29 (AAA 17287387) for those heifers closely related to Horizon.

We owe a big thank you to Alan Thomas and Zoetis for their guidance and assistance with the Calhoun HERD program's health and estrus synchronization products.

If you should have a need, please feel free to contact me at (706) 728-4354 or by email. Thank you for supporting the Calhoun HERD Program.

2016 - 2017 CALHOUN HERD CONSIGNORS
